
Nicholas Rockefeller

Speaking in 2007, the late Aaron Russo—a former friend of Nicholas Rockefeller—recalls being told how women's liberation was funded by the Rockefeller banking family, in order to get women in the workplace, break up the family and indoctrinate children from an early age.

"We couldn't tax half the population before women's lib… Now we get the kids in school at an early age. We can indoctrinate the kids how to think, which breaks up their family. The kids start looking at the state as the family, as the school, as the officials, as their family."
